13 July 2021

Dear Year 13s

RE: A-Level Results Day – Tuesday 10 August 2021

I am writing to confirm the arrangements for the collection of your A-Level examination results and provide an update on the grade awarding process this year.

To limit the number of people we have on site at any one time, we will only be allowing you on site to collect your results. This means that any family members will not have access the academy.

To collect your results, you must arrive to the academy between **9am and 11am**. You will need to join the queuing system in the hall until you are invited through to collect your results.

There will be many familiar faces to welcome and support you. Once your results have been collected, we will have many members of staff on site to provide further guidance regarding university choices, clearing and future plans. You will be able to speak with members of our Senior Leadership team before you leave the site.

I have attached two important documents alongside this correspondence. One is a JCQ timeline infographic which explains the national grading timeline. The second is further information regarding summer grades and the options available to appeal and resit examinations.

I am pleased to say that we have successfully passed both stage 1 and stage 2 of the JCQ quality assurance process meaning that JCQ are happy with our policy and practices surrounding the awarding of grades this year.

-
- We strive to fulfil everyone's learning potential. • We value high standards, hard work and a ceaseless desire to improve.
 - We provide a safe, kind, nurturing and inclusive environment. • We enjoy the journey together.

We look forward to seeing you on results day,

Yours sincerely,

Mr R Ahmad
Deputy Principal
