NOTTINGHAM GIRLS' ACADEMY

SCHOOL BEACON

3rd July 2026

WEEKLY ROUNDUP

3 WEEKS LEFT TO GO!

With just three weeks remaining until the summer break, we are taking a moment to celebrate another fantastic school year. Our girls have achieved so much and continue to impress us with their enthusiasm, resilience and hard work.

As we approach the end of term, it is wonderful to see them still fully engaged and working hard right to the very end. We are incredibly proud of all they have accomplished and look forward to making the most of these final weeks together.

UPDATE FROM THE PRINCIPAL

England Men's Football Team
We wish the England Men's World Cup squad the best of luck for their game against Mexico on Monday morning.

However, please be advised that school will be open as normal, at 8.40am on Monday, and we will not be giving pupils leeway for being late.

Year 11 Prom
We are looking forward to hosting our outgoing Year 11 pupils for their prom this evening. I am sure they will all look resplendent in their prom outfits.

Extreme Heat
We are closely following the weather forecasts for next week as there is a chance of more hot weather.

Monday's conditions currently look like they will be manageable and we expect to run school as normal.

However, should we return to extreme heat conditions, we have been working on a new plan to ensure pupils can complete a full day of lessons safely. The plan includes allowing pupils to wear PE kit, re-rooming classes from out hottest rooms to air-conditioned or more shaded rooms and reducing lessons to 45-minutes so that pupils can leave site by 1.15pm. If this is required, I will send out full details.
